ROI

backpack - the **smarter** bag.™

Storage so spacious, plus protection...good gracious! Those with even the smallest degree of business savvy will be quick to realize that the ROI delivers all the necessities desired in a backpack. Appealingly styled (minimalist design with roomy capacity) and artistically outfitted with the most essential features (a suspended cell to safeguard digital gear), this bag will reward your investment with many happy returns. Business principle this backpack lives by: Always deliver more than expected.

Smarter Features

- » Large main compartment features ample capacity for books, shoes, and clothing
- » Protective suspended tech cell safeguards and protects digital devices
- » PassPort luggage pass-through securely and easily connects your pack to other baggage items
- » Air mesh back panel provides a comfortable carry on hotter days
- » Two side water bottle pockets
- » Front zippered pocket
